EXPERIENCE

Global Career Accelerator | *Data Analyst*

August 2026–Present

- Analyze real-world data with machine learning, identifying trends and informing data-driven decisions
- Rank YouTube engagement data with SQL, influencing content optimization recommendations
- Filter Crunchbase funding data by status and category, impacting venture capital investments

Roblox | *Independent Game Developer*

March 2019–May 2026

- Developed several large-scale projects, acquiring over 3,320,000 plays for the Roblox platform
- Collaborated with developers of diverse backgrounds, reaching over 700,000,000 players globally
- Communicated with users for community engagement and feedback, informing design decisions

PROJECTS

Infinite Minesweeper | *Lua, GNU/Linux, GitHub, Git*

- Developed a popular game by researching market trends, achieving over 130,000 monthly active users
- Optimized engagement by analyzing data, achieving top 10% day-1 and day-7 retention metrics
- Designed failsafe database with automated backups and recovery, maintaining over 858,000 entries

Anti-Wallhop | *C++, Lua, GitHub, Git*

- Resolved a platform-wide issue by reverse-engineering and reimplementing proprietary functionality
- Published an open-source library used in *Flood Escape 2*, enhancing over 140,000 user experiences/day
- Documented issue details, persuading a lead developer to implement solution in their project

LEADERSHIP

Carolina Cubers | *President*

June 2026–Present

- Found the University of South Carolina's first cubing organization, recruiting 15 active members
- Promote cubing's presence in the state of South Carolina through activities and weekly meetings
- Coordinate with Southeast Cubing, Inc. to organize local World Cube Association competitions

Garnet Game Developers | *Vice President*

August 2025–Present

- Engage in weekly project showcases, sharing game development progress to 23 active members
- Provide learning resources, feedback, and advice, supporting Columbia's game development industry

Q+ Honors Caucus | *Committee Member*

August 2025–Present

- Plan social and developmental events every month, connecting the Honors College's queer community of over 20 active members
